(3)a)\$ _____ + (3)b)\$ _____ + (3)c)\$ _____ (3)d)\$ _____ + (3)e)\$ _____ +
(3)f)\$ _____ + (3)g)\$ _____ + (3)h)\$ _____ = Total \$ _____

By signing this form, you declare that you agree to abide by the District's rules, standards and agree to allow District personnel to enter property to inspect well as authorized in Texas Water Code Chapter §36.123 and District Rule 6.10. By signing this form, you certify that the information provided is true and correct. By signing this form, you acknowledge that the District reserves the right, to the extent allowed by law, to adopt, revise, and supersede rules applicable to registered wells and to require the owner of a registered well to obtain a permit if the well is not exempt from the District's permitting requirements and that the issuance of the well registration by the District shall not limit the District's authority to regulate the well or the production of water from the well, unless the well is otherwise exempt from such authority.
